Welcome Letter from the Chairman

Another year, and a special one, brings PrezCon's 13th annual convention! The PrezCon staff and I would like to thank everyone for taking time out of their busy schedule to attend. Thanks also to all of the many GMs who volunteer to help run the events. Without them, the convention could not be held at all!

For the first time ever, PrezCon is hosting two Advance Events—Victory in the Pacific and War of 1812, starting on Tuesday. The main event begins on Wednesday at noon, with more than 80 board game tournaments, plus juniors' events and demos. We are hosting 4 Special Events this year! They are The Settlers of Catan 2006 Mid Atlantic World Championship Qualifying Tournament, DipCon "The North American Diplomacy Championship", RevCon "The First Annual Revolutionary Time Period Championship" and last but not least the Wits & Wagers Game Show Tournament!

Make sure you do not miss our fantastic auctions on Saturday Night!

Our board game tournaments are scheduled using a Track system, which makes it easy to put together a schedule of your favorite games by minimizing overlapping tournaments and gaps for all tournaments in the same track. We've added a new track—Classic Wargames—to six tracks from last year: Tactics, Strategy, Wargames, Parlor, Horsepower and Euro. This new track will allow you to enjoy some of the Classic Wargames from the not too distant past. Take the time to try an old favorite at the con!

Remember, we're all here to have fun! Win or lose, enjoy yourself!

—Justin Thompson

A Note to Concerned Parents

What kind of supervision will be at the convention?

Our gaming environment, like most similar conventions, is one that typically attracts an intelligent and mature crowd. *PrezCon* staff do not directly supervise any of the participants. We do, however, provide a framework of rules and regulations and enforce them as needed.

Is it all right for my teenager to stay at the convention site with friends?

We can state with confidence and a proven track record that *PrezCon* has an excellent atmosphere for young adults to learn maturity and responsibility.

Convention Staff

Your year-round convention support staff is Justin Thompson, Scott Stewart, Grant Dalgliesh, Bill Alderman, Jim Stevens, and Steve Koleszar. Particular thanks to Barbara Thompson and Margaret Alderman for help at the convention. Visit *PrezCon.com* for more info about *PrezCon*, the staff, or other events and activities, especially *PrezCon 2007!* Suggestions and comments are always welcome!

Convention Rules and Regulations

While we don't anticipate any problems at the convention, there are some rules that we ask you to follow to prevent any potential harm to convention-goers and other hotel guests. Also, respect the hotel. The staff works hard to make sure you can enjoy a clean and comfortable environment. Therefore, we ask you to please use your common sense and abide by the following restrictions during your stay:

1. Alcoholic beverages ARE permitted in the convention site this year. *Anyone who orders alcohol will be asked for ID and receive a wristband. **If you drink, please consume wisely and be considerate of others.***
2. No illegal drugs or weapons of ANY kind are permitted at *PrezCon*.
3. Only authorized *PrezCon* dealers can sell products at the convention. If you need more information about dealers or becoming a dealer, contact the convention director, Justin Thompson.
4. You must wear your convention badge at ALL times while on the convention site. Lost badges must be replaced at full cost!
5. The word of the gamemaster (GM) is final! Concerns with the GM may be expressed to Scott Stewart, but don't expect a GM's ruling to be overturned. Please note that GMs have the authority to remove troublesome or argumentative players from their tournaments.
6. Good sportsmanship and conduct is expected of all participants of *PrezCon*. Being a humble winner and a gracious loser are the hallmarks of a true champion. Please make this convention enjoyable to all attendees!
7. The microphone in the ballroom is for official announcements only. If you need to make an announcement, contact a member of the *PrezCon* staff.
8. Do not change the temperature on the thermostat in the ballroom. If any environment conditions need to be addressed, contact a member of the *PrezCon* staff.

Areas of Interest in Charlottesville

There are a huge number of interesting and fun activities available to the visitor in Charlottesville. Your place to begin is the Downtown Mall. This is a vibrant collection of more than 120 shops and 30 restaurants housed in the historic buildings near the historic Main Street area. Enjoy dining at a number of fine restaurants, shop the unique boutiques, take the chill off with a hot coffee or tea. Attend a movie, or simply relax and enjoy a winter stroll along the red-bricked mall.

Also, the city of Charlottesville operates a satellite "Visitors Center" on the Downtown Mall. The center is located at 108 2nd Street SE and provides visitor services such as President's Pass sales, a combination-ticket for tours of Monticello, Michie Tavern Museum and Ash Lawn-Highland, as well as local and statewide travel information, brochures, and maps. The center is open Monday through Saturday from 10am to 5pm and Sunday from 11am to 3pm. For more information, call 977-6100 or ask at the Registration desk.

The hours are Friday and Saturday from 10am to 6pm and Sunday from 10am to 4pm. Please support the Dealers at the convention.

PrezCon encourages every attendee to learn at least one new game and to invest in at least one new game while at the convention. Take the *PrezCon* experience home with you! Share with your friends and family the great games that you enjoy here.

Hall of Fame

In 2002, we established an annual award, inducting people into our Hall of Fame who have made extra contributions over the years. Each inductee has devoted a lot of time and effort and exhibited the kind of sportsmanship and personality that simply makes being at *PrezCon* enjoyable for those around them. On Friday at 7PM, we will have a brief ceremony to add more people to this honored list. A full list of Hall of Fame members can be found at the back of this booklet.

Advance Events

For the first time ever, *PrezCon* will be holding two Advance Events—Victory in the Pacific, run by Mark Smith and War of 1812, run by John Teixeira. The VITP tournament begins at 9 am on Tues., Feb. 22. and is a three-round Swiss event. The final beginning at 9am on Wednesday. The War of 1812 Starts at 7pm Tues. night with the semi/final at 9am Wednesday. There is NO CHARGE to attend the Advance Event if you are registered for the full five days of the convention. The tournament winner will take home a plaque and a t-shirt.

Settlers of Catan Championship

PrezCon has been awarded the Settlers of Catan Mid-Atlantic Regional Championship. This means that the winner of this year's event—in addition to a championship t-shirt and plaque—will receive transportation to and hotel lodging at GenCon, which hosts Mayfair's United States Championship Tournament for the Settlers of Catan. There will be only 16 people in the Championships and one of them will automatically qualify by winning the Regional Championship hosted by *PrezCon*! (If the winner of *PrezCon's* Settlers' tournament can't attend GenCon, *PrezCon* reserves the right to appoint a new champion to will fill the spot.) The U.S. Champion qualifies to compete for the Catan World Championship in Essen, Germany—all expenses paid.

Board Game Tournaments

PrezCon offers 80 championship tournaments in seven different tracks. The Winter Nationals are a great place to learn new games and hone your skills against excellent competition. When possible, bring copies of the games you would like to play, as many of our attendees come from far away and have luggage allowances. If there are not enough games for the people who would like to play in a tournament, attendees with games will have priority. Winners of board game tournaments will win plaques and t-shirts based on the established prize levels.

Classic Wargames

PrezCon is proud to host the new Classic War games track in 2006! After many years of trying to bring back some of your old favorites we have decided that 2006 was the year to try! With the help of veteran GM's like Bill Scott (Panzer Blitz) & Bruno Sinigaglio (Bitter Woods) and many others we have begun our march toward being a real war game convention. Take the time to visit these grand tournaments and maybe even play a round or two!

Monster Games

PrezCon is a place you can lay out your "monster" games and play, uninterrupted, for five full days. All of the games will be set up in the meeting rooms. Look for the signs directing you to the assigned room.

Demos

Want to learn a new game or play a game type you've never played before? Maybe you just need a refresher to get back into the swing of the game? PrezCon 2006 offers selected Demos of great game throughout the Con in Georgio's. Many run by our Tournament GMs, game companies, or the games designers themselves. Here's the perfect opportunity to ask questions about the games and get answers straight from the folks who know them best.

Juniors Tournaments

Juniors tournaments take place on Friday and Saturday and are **marked in bold italics** in the schedule. They are open to any attendee aged 14 and under. Parents are encouraged to supervise their children. There is no charge for Juniors to participate in junior tournaments or open gaming; however, juniors who participate in other convention events are required to pay standard registration fees. Junior champions will receive plaques.

Open Gaming

Open gaming is available at the convention site 24 hours a day. There will be several tables set aside in the Foyer area for Open gaming. In addition, Open gaming is always permitted in all gaming areas not in use by a scheduled game or tournament. If an open game is in-progress when a scheduled event begins, it may be required to relocate. We apologize for any inconvenience.

Prize Levels

PrezCon offers full-color plaques to tournament champions, 2nd-place, and 3rd-place champions, based on tournament attendance. All tournament champions receive a plaque and t-shirt. Some tournaments may offer additional non-cash prizes. See below:

# of Players	Champion	2nd	3rd
32 or more	Plaque & T-shirt	Plaque	Plaque
16-31	Plaque & T-shirt	Plaque	—
1-15	Plaque & T-shirt	—	—

Tracks

Tracks are groups of similar types of games, scheduled without a lot of overlap or gaps between tournaments. Every game kiosk is color-coded with its associated Track. Every track has its own Iron Man Championship. (See the Iron Man Competition section.) The Tracks and Color codes are listed below:

Track	Color Code
Strategy.....	Red
Euro.....	Yellow
Parlor.....	Green
Wargames.....	White
Classic Wargames.....	Gray
Tactics.....	Blue
Horsepower.....	Black

Meta Points

Meta Events are competitions that cross game boundaries. These are the Team Tournament and the Iron Man Competitions. Points are awarded based upon the size of each event and the finish rank achieved in each event. All official tournaments qualify; demos, junior events, and special events are not awarded points. Points are awarded as follows:

Event Entrants	1st	2nd	3rd	4th	5th/6th	7th/8th
32 or more	5	4	3	2	2	1
24-31	5	4	3	2	1	-
16-23	4	3	2	1	-	-
12-15	3	2	1	1	-	-
8-11	3	2	1	-	-	-
5-7	3	2	-	-	-	-
4	3	-	-	-	-	-

If there are tied scores in an individual event, the tied players all score at the level indicated (e.g., if three tie for 3rd, the 6th-place player still scores at the 6th-place level). If two players tie in the overall competition, the tie breaker is the highest total of entrants in all the events scored by each player.

Iron Man Competition

Each Track has its own Iron Man Championship. (See the Track section.) No registration is necessary. To win, all you have to do is finish well in the Track's events. Points are awarded based upon event size and finish rank in the event. (See the Meta Points section.) Since everyone at the convention participates, the Iron Man Championships each qualify for the highest Prize Level. (See the Prize Level section.) See the Previous Winners section for last year's Iron Man Champions.

Team Competition

Three-player teams compete for the opportunity to take home the prestigious Team Competition plaque. Team members must each designate a different event as their "Team Event". Players may sign up for an event after an early round is complete, but only if no team member has played his or her event. Teams receive points based on event size and team members' finish ranks in their events. (See the Meta Points section.) At the end of the convention, the team with the highest cumulative point total is the winner.

Concessions and Dining

The DoubleTree Hotel will provide an on-site concession stand. *Outside food and drinks are not permitted while the stand is in operation.* The concession stand offers snacks and great hot meal specials that you can get without leaving the convention area! The list of snacks and prices appears in the box below. **Snacks are available from 10 am to 2 pm, 4 to 8 pm, and 10 pm to 1 am.** *The concession stand opens at 5 pm on Wednesday and closes at 2 pm on Sunday.* The hot meal specials appear in the Gaming Schedule.

Game Auctions

PrezCon's game auction has set the standard. We are planning for the best game sale ever. We offer good deals and low prices. Bruce Reiff will be our main auctioneer.

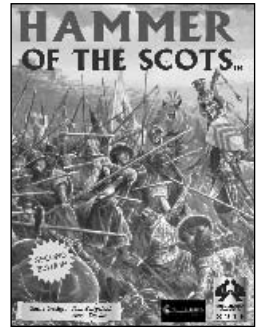

The auction will take place in the Promenade ballroom. It will be run as described below:

- 1. FORMAT:** There are two auctions. The Family Auction will start on Saturday, Feb. 25, at 6:30pm. The Wargame Auction will start on Saturday, Feb. 25, at 8:30pm. The auction staff makes the sole determination about which items belong in which auction.
- 2. REGISTRATION:** All items to be sold at auction must be deposited at the registration desk on Friday from 8pm to 10pm and Sat 10am to 2pm.
- 3. FEES:** There is no cost to register an item in the auction; the commission is 10% of the selling price of each item. The fee is non-negotiable.
- 4. SELLERS:** Complete a bid sheet for each item or group of items to be auctioned together. Bid slips are available online. Download and complete them before you arrive! If the minimum bid line is left blank, the minimum bid will be set at \$1. Sellers who are caught trying to intentionally mislead buyers will be expelled from the auction and all items withdrawn. After the Auctions are complete, the auction staff will pay sellers for what they sold, minus the 10% fee—see #3. It is the seller's responsibility to collect all money and unsold games. Any auction money or games that are uncollected at 4pm on Sunday, Feb. 27, become property of PrezCon Inc.
- 5. MINIMUM BID RULE:** The auction staff recommends that you start all items at a \$1 minimum. If you set an item with a minimum bid higher than \$1 and it doesn't sell AND the auctioneer deems your minimum to be "ridiculous", you will be required to pay 10% of the item's minimum bid price to retrieve the item.
- 6. BIDDING:** All bidders must have a bidder's card, which may be obtained from the auction staff for \$1. All bids must be in \$1 increments. The auction staff will be bidding on items. When you win an item, go to the front desk and pay for your item immediately—in CASH!! The auction staff is not responsible for the quality of items. All sales are final!
- 7. PAYMENT:** Unless you receive prior approval from Bill Alderman or Justin Thompson to pay via check or PayPal, cash is required. PayPal payments must be made on the day of the auction and must include an additional 5% for fees.
- 8. TABS:** To maintain a tab, you must obtain a tab bidder card for \$1 and make a NON-REFUNDABLE DEPOSIT of \$50. This \$50 is credited to your total purchases in both auctions. All tabs need to be cleared at the end of the second auction.

Hammer of the Scots online

F2FGaming (www.f2fgaming.com) will host a special online Hammer of the Scots tournament using their outstanding software. This event features a separate plaque and occurs throughout the week, but before the Hammer of the Scots boardgame tournament. F2FGaming will have two computers online to play or you can bring your own laptop with wireless internet access. Sign up for this event will be at the Columbia Games booth – or you can ask anyone you see wearing an F2FGaming shirt. Contact tom@f2fgaming.com if you have any questions, or check out there website at www.f2fgaming.com.

History of the World Tournament of Champions

Beginning Friday at 7PM, past winners of History of the World will compete to determine who is the ultimate champion. This event is by invitation only but promises to be an exciting event for spectators too.
